NOTES FROM THE TRAIL BOSS

Well, it is with great sadness that I must say the 2012 cowboy season has come to an end. But on the other hand, what a season it was! Everyone worked very hard to put together a great bunch of shoots for everyone to enjoy.

We built a boat that stands alone as a statement to the hard work and dedication of the Circle K Regulators, as well as the rebuilding of Fort Misery. Thank you to all that put in so much time to make this happen.

I would also like to commend the group of cowboys that are putting forth such effort to get Rough Riders shooting going at the CKR (aka Wild Bunch matches). Hopefully, this will grow in the future. Thanks again - great job!

Now Violet Cassidy has set up our Winter Dinner for Jan. 19th

at The Factory in Ballston Spa. You really should plan on attending. This is another fine event that we put together as a group, and it is a welcome break after the hectic holiday season. Violet has planned some great food for the evening, and I am sure Lone Star Jake has some prizes left over from the Rukus, too. (For more info on the dinner, see separate article elsewhere in this newsletter.) Thanks.

NOV. CKR ROUGH RIDERS MATCH

Following setup on Nov. 10th, six folks gathered to participate in an action-packed 5-stage Rough Riders match.

Congrats to **Rowdy Bill** who took 1st in Modern and Top Overall and to **The Dude Bandit** who finished 1st in Traditional.

NOV. CKR CAS MATCH

On Nov. 11th, a total of 43 cowboys and cowgirls joined us for the last CKR monthly shoot of the season. A new young shooter, Spaghetti Gunslinger, was welcomed into the fold.

Hopefully, he is now hooked on CAS and will return to sling more lead with us next year.

What a gorgeous day for shooting we had! A couple of passing showers during registration had the shooters worried for a bit, but thankfully the skies cleared before the gunfire began, and it turned into a spectacular fall day with sunny skies and above normal temps.

Whiskey Brooks had packed this month's stages with every nifty target in the CKR repertoire – the swinger, the revolving target, several clay bird throwers, a spinner (bonus), and a Texas Star. Thanks for providing us with a fun-filled, action-packed finale for our 2012 shooting season, Whiskey! In an effort to assure that we would finish up without having to light any torches, the cowpokes only shot five stages, shooting straight through with no break for lunch. Everything worked out well, with the shooters finishing up with plenty of daylight to spare.

When the smoke cleared and the day drew to a close, the following gunfighters were left with braggin' rights 'til next spring:
